

Camera System 7" Touch 1080P Camera 18IR 20m 4CH

SKU

18333

This professional HD camera system with a 7-inch touch monitor, 1080P camera, and 20 m cable is designed for heavy-duty vehicles, trucks, and construction machinery. It delivers crystal-clear 1080P images in real time and performs perfectly even in dark environments. The modern touchscreen monitor supports up to four video channels with flexible split-screen display (1/2/3/4 view). The intuitive OSD menu includes mirror/normal view, image scaling, delay, and priority functions. The 1080P camera provides a 130° viewing angle, 18 IR LEDs, and IP69K waterproof protection for maximum visibility and durability.

The included 20 m 4PIN cable ensures a stable, interference-free signal — ready for immediate installation.
