SKU

18334

This premium HD camera system with a 7-inch touch monitor, 1080P electric shutter camera, and 20 m cable is designed for heavy-duty vehicles, trucks, and construction machinery where visibility, safety, and reliability are essential. The 13003 camera features an automatic electric shutter that protects the lens from rain, dirt, and dust – ideal for harsh environments. It delivers crisp 1080P images with a 130° viewing angle, 6 IR LEDs, and IP69K waterproof protection for all weather conditions. The 10326 touchscreen monitor supports up to four cameras simultaneously and offers flexible split-screen display via a clear and responsive interface.

The included 20 m 4PIN cable ensures a stable, interference-free signal – ready for professional installation.
