

Kamera 18IR 1080P 90°

SKU

13001

Camera 13001 is a rugged HD camera with 1080P resolution and a wide 130° viewing angle for excellent coverage. Its IP69K rating and 18 built-in IR lights provide up to 15 meters of night vision, ensuring reliable performance in all weather conditions. The compact metal housing and vibration resistance make it perfect for professional vehicle and machinery applications.
