

Camera 1080P AI 4-ZON 100°

SKU

13025

Our AI-powered “**PDS**” **HD rear-view camera**, model **13025**, is the perfect complement to our wired camera systems. The live HD image on your monitor provides a clear real-time view of the vehicle’s surroundings, where pedestrians are highlighted and colour-coded warning zones indicate their distance. The system features a camera with a **100° field of view**, giving you a wide and reliable perspective behind the vehicle.

Teknisk information
