

Kamerasystem 9" 1080P Wireless inkl. kamera 23315 QUAD 4CH

SKU

28345

This is a complete wireless HD rear-view camera system with a 9-inch IPS monitor and a rechargeable 1080P camera. The system offers up to 200 m wireless transmission range (clear line of sight) and uses automatic frequency hopping to reduce interference. The monitor supports 1/2/3/4 split-screen display and has an intuitive OSD menu for mirror/normal image, scaling, reverse delay, and priority settings. The camera features a built-in 8000 mAh lithium battery, IR night vision, and IP69K waterproof rating, making it perfect for mobile installations where wiring is not possible.

Teknisk information

Monitor: 21330

Screen: 9-inch IPS screen

Wireless Receiving: Built-in 2.4G wireless receiver

Picture Mode: 1 / 2 / 3 / 4 screen mode **Operating Frequency:** 2400–2483.5 MHz

Receiving Sensitivity: ? -86 dB

Receiving Distance: Up to 200 m clear line of sight

Resolution: 1024×600

Color System: PAL / NTSC (Auto)

Brightness: 600 cd/m²

Load Dump Protection: ISO16750-2 Standard (Us=174V,

Ri=4?, Td=350ms)

Anti-Vibration Rate: GB/T 2423.56-2023 Standard (Random

5G vibration)

Operating Temperature: -20 °C to +70 °C Storage Temperature: -30 °C to +80 °C Operating Voltage: DC 11–32 V

Dimensions (L×W×T): 244 × 179 × 81 mm

Weight: 1140 g

Kamera: 23315

Image Sensor: 1/2.9" color CMOS

Wireless Transmission: Built-in 2.4G digital transmitter

Transmission Power: 18 dBm

Transmission Distance: Up to 200 m clear line of sight

Resolution: 1080P

Effective Pixels: 1280(H) × 960(V)

Viewing Angle: 130° Infrared Distance: 5 m

Housing Material: Aluminum alloy Waterproof Rating: IP69K

Battery Capacity: 8000 mAh (3.7V) 29.6Wh

Interface Input: Type-C waterproof interface (QC2.0 fast-

charging) 12V / 1.5A

Battery Life: Up to 20 h per charge (> 800 cycles) **Mounting:** Magnetic suction base (silica gel) **Operating Temperature:** -10 °C to +60 °C **Storage Temperature:** -20 °C to +70 °C

Vibration Resistance: GB/T 2423.56-2023 Standard

(Random 5G vibration)

Dimensions (W×H×D): $138 \times 80 \times 70$ mm (without antenna)
